

# Fiserv Helps Small Business Owners get Back2Business

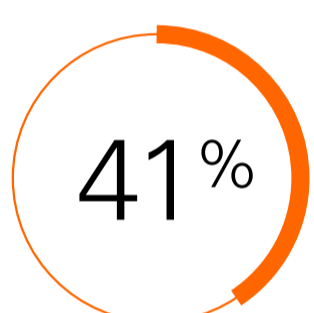

Back2Business from Fiserv launched in 2020 with a \$50 million commitment to support minority-owned businesses with financial grants, small business coaching and Clover business management solutions.

Fiserv has made more than 1,600 grants through the program, benefitting small businesses and their communities. Grant recipients recently shared how the program has impacted their business and outlook for the future.

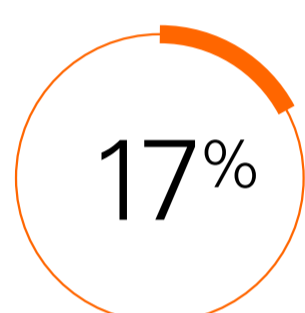

Said the grant positively helped their business
